Empowering Employee Transportation with Innovation

Our Journey: Since our inception in 2016, we've been at the forefront of software development, specializing in corporate car rental solutions. Our expertise in the car rental industry has enabled us to address key challenges and streamline business processes for corporate car rental companies.

The Birth of Easy ETS: Recognizing a critical gap in employee transport management, we embarked on developing Easy ETS.

Our mission is driven by a stark reality: *25% of job changes stem from inadequate employee transportation*.

Easy ETS is our answer to this challenge.

Artificial Intelligence at the Core: At the heart of Easy ETS lies our commitment to leveraging artificial intelligence. We aim to revolutionize the daily commute for employees, making it more efficient, reliable, and stress-free. Our AI-driven solution is designed to adapt, learn, and continually improve employee transportation experiences.

With Easy ETS, we're not just changing commutes; we're enhancing lives.

Challenge of ETS

Impact of these challenges on businesses

ACTIONS	MON	TUE	WED	THU	FRI	SAT	SUN
Irregular Communication – lack of technology	X		X		X	X	
Failure to Engage Employees – Poor Employee Consultation		X	X	X		X	X
Logistical and Support Challenges – administrative burdens hinder smooth transport operations	X	X		X	X		

Impact on Businesses:

- Employee Productivity, - Absenteeism and Decreasing Turnover,
- Tired employees are more prone to errors.

Efficient employee transportation is not just a perk; it's a strategic necessity for business success and employee wellbeing.
